CATCHING THE SPOTLIGHT

Another great week of trout fishing! Marci Pou (top left) caught this 5lbs. 3oz. trout out of Lake 4 on Rainbow Powerbait. Michael Freitas (top right) caught a 4lbs. 8oz. trout out of Lake 3 on Chartreuse Powerbait. Peta Formica Jr. and John Okesson (bottom left) decided to switch it up and use Mouse tails instead of Powerbait and It payed off! Sandy Harvy (bottom right) caught this 3lbs. 11oz. trout out of Lake 3 on Orange Glitter Powerbait.

Our next trout stock will be this Friday.

LAKE LOWDOWN

Avg. Water Temp:60.3°F
Water Clarity: Average 1 ft. visibility

The trout are still biting well on Powerbait, but the color didn't seem to matter much. It looks like a safe bet to throw out a few different colors and see what catches their eye that day.

I'm seeing more and more bass anglers out. The bass bite is slowly but surely getting better as Spring gets closer.
